

“Cultural geography of the Paleolithic of the East European Plain:
from the Micoquian to the Epigravettian”
from 10th to 16th September 2019

Main topics for discussion:

- 1) Chronostratigraphic correlations of sediments of alluvial and loess-paleosol series of the Valdai epoch (Weichselian) on the East European Plain;
- 2) Variability within large cultural communities and options for modeling their development processes
- 3) Issues of reconstruction of paleoclimatic changes, correlation of socio-cultural and natural factors in the development of large cultural communities of the European continent in the Middle and Upper Paleolithic

The program of the conference/field seminar will include acquaintance with the main areas of the Middle Paleolithic sites of Khotylevo I and Betovo, the Upper Paleolithic sites of Khotylovo 2, Khotylovo 6, and Yudinovo
